EDUCATION

B.Tech in Mechanical Engineering

Swarnandhra Institute of Engineering and Technology

07/2018 - 08/2021

7.45 CGPA

Diploma in Mechanical Engineering

Swarnandhra Collage of Engineering and Technology

06/2015 - 03/2018

73.74 %

PERSONAL PROJECTS

Show Seat (03/2023 - 04/2023)

- Developed a Spring Boot Maven backend application focused on booking tickets, finding shows, and searching movies using multiple APIs.
- Leveraged my skills in Spring Boot, JPA, Hibernate, and MySQL to create a robust and efficient system.
- Utilized Postman, and IntelliJ Idea to streamline the development process and ensure high-quality code.
- Gained valuable experience in various areas, including different layers of API, Hibernate, MySQL, DB connection, and Email Integration throughout the project.
- Git Hub Link [Click_here](#).

Student Library Management System (02/2023 - 03/2023)

- This is a Spring Application where a student has card issued, can return and issue books, record transactions, find books and has multiple APIs.
- Utilized Postman, and IntelliJ Idea to streamline the development process and ensure high-quality code.
- Gained valuable experience in various areas, including different layers of API, Hibernate, MySQL and DB connection throughout the project.

COURSE WORK

DSA and Java MERN Stack Developer

Accio Job

07/2022 - 03

Learnings

- Learned : Core Java, DSA, Spring Boot, SQL, OOPS.

Python course

Preplnsta

05/2022 - 06/2022

Java Programming

Great learning

12/2022

SKILLS

Core Java

HTML

CSS

Java Script

DATA STRUCTURES AND ALGORITHMS

Spring Boot

JPA Hibernate (MYSQL)

API's Structure DB Design

SQL

OOPS

ACHIEVEMENTS

Secured Second place in Merit Scholar test (01/2015)

Chambers Educational Society

Secured First Rank at Paper Presentation in Swarnandhra Fest 2K17 (02/2017)

Swarnandhra institute of Engineering & Technology

Secured Second Rank at Paper Presentation in POLY VEDA 2K17 (09/2017)

Adithya Group of Engineering Colleges

Worked as NSS Volunteer (01/2019)

Jawaharlal Nehru Technological University (JNTU)

LANGUAGES

Java

Python

INTERESTS

Problem Solving

Coding
